Child, Adolescent and Family Mental Health and Well-Being Clinic

Child, Adolescent and Family Mental Health & Well-Being Clinic

“NO HEALTH WITHOUT MENTAL HEALTH”

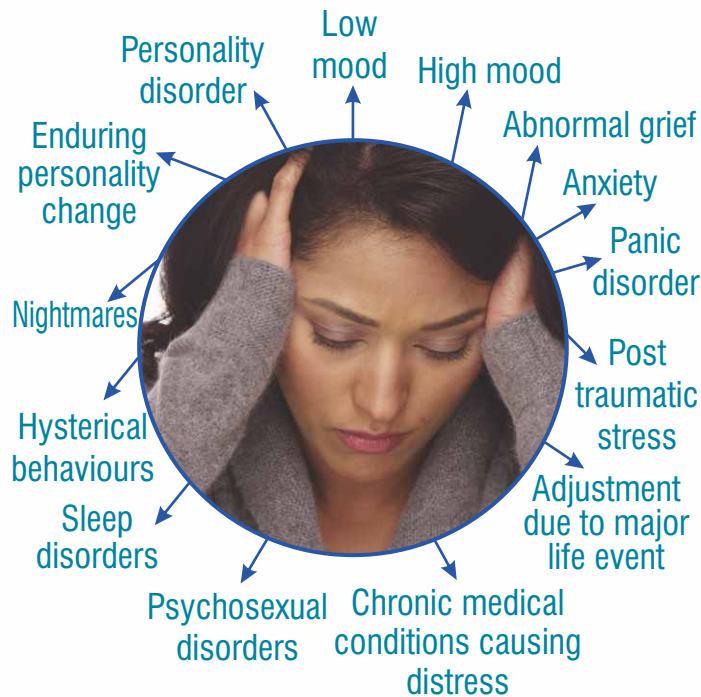

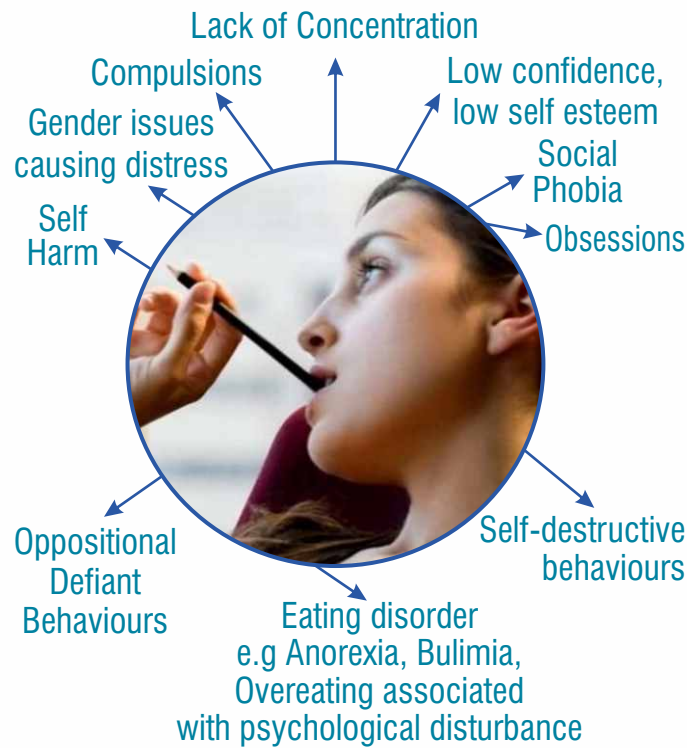

We provide a CONFIDENTIAL service, which will LISTEN TO YOU, and which will be SPECIFIC TO YOUR NEEDS AND PREFERENCES.

We provide full range of assessment and treatment for mental health and behavioural disorders affecting children, adolescents, young people and families

Some common Examples

Difficult behaviour due to psychological distress
E.g. Tantrums, Sibling rivalry, School refusal, Attention seeking, Lack of Concentration

We can offer

Full comprehensive assessment and consultation

Medicines, if appropriate

Individual Psychological therapies

Psychological therapies e.g. Psychodynamic

Other therapies e.g. Art Psychotherapy, Play Psychotherapy

Any health issue (mental or physical) does not only affect the individual, but affects the whole family. We offer Family / Systemic Therapy

We can also consider other approaches like :

- ◆ Hypnotherapy
- ◆ Guided imagery
- ◆ Psycho sexual
- ◆ Dream interpretations, etc
